http://anaivancescu.com   **ANA-MARIA IVANCESCU**   (+40) 762613024
ancaiv14@gmail.com

EDUCATION

Bucharest, Romania   **University of Bucharest**   **October 2018 - July 2022**
- Bachelor's degree, Faculty of Mathematics and Computer Science.
- Data Structures, Algorithms Design, Object-Oriented Programming, Databases, Probability Theory, Calculus II, Advanced Programming, Networking, Usage of Operating Systems.

Slatina, Romania   **National College "Radu Greceanu"**   **October 2014 - July 2018**
- Studied mathematics and intensive informatics

EXTRACURRICULAR ACTIVITIES

- **http://anaivancescu.com -** realtime chat interface with my bot, which has predefined answers.
    o   Built with **React.js**, **css**, **html** and **Bootstrap**
    o   Hosted on **DigitalOcean** using **Nginx** and **PM2**
- **Petshop dashboard** (Github) - Dashboard admin interface for managing a pet shop.
    o   Frontend is made with **React.js** and **Bootstrap**
    o   Backend is built using **SQL** and **Node.js**
- **EESTEC** - Helped organizing a Machine Learning workshop (short presentation)
    o   Coordinated a team for interviewing foreign participants from Europe.
    o   Structured a Machine Learning beginner tutorial over the course of 5 working days

LANGUAGES AND TECHNOLOGIES

- React (intermediate), C++ (upper intermediate), Python3 (beginner), Node.js (beginner), bash (beginner), Java (beginner)
- SQL (intermediate), Object Oriented Programming (intermediate), Linux/Unix (intermediate), TCP/IP stack and protocols (intermediate), Git (intermediate)
- CSS (intermediate), HTML (intermediate), Bootstrap (intermediate)
- Algorithms and data structures enthusiast, am currently preparing for online contests
